

Join the South London Swimming Club and enjoy swimming at Tooting Bec Lido all year round

We are one of England's oldest swimming clubs, founded in 1906. We are a very sociable and inclusive club with members from birth to 90 and welcome every kind of swimmer from those wanting a leisurely meander through to long distance swimmers training for the channel.

Club membership entitles you to take advantage of the following:

- join in the Sunday morning handicap races – they're not too serious and there's coffee and cake afterwards
- receive regular newsletters and Club updates – remember to update your email address
- enjoy the summer party, River Thames swim and galas against other clubs
- take advantage of reduced fees for other Club events, such as the summer aquathlons, the triathlon relay and the UK Cold Water Swimming Championships (26 January 2013)
- swim on September evenings after the public leave
- swim through the winter, October to May, when the pool is closed to the public
- use the Club sauna in the winter
- improve your swimming at our indoor Monday evening training sessions
- compete in ASA events by joining SLOW (South London Open Water SC), our ASA registered sister club. You can also swim for SLOW if you pay your ASA registration through another ASA registered club.

The amount you pay covers both your SLSC membership and the cost of a pass to get into the Lido all year round, as often as you like.

Tooting Bec Lido has thrived in recent years, thanks to investment from Wandsworth Borough Council and the commitment of the SLSC. We have worked closely with the Council and the service provider, DC Leisure, to ensure that the Lido continues to be a valuable community resource.

The SLSC is run entirely by volunteers, so please offer any help you can – from making cakes for the Sunday races to organising events. Your support will help ensure a bright future for the Lido.
