Thank you to everyone for taking part and to all the lap counters - Vanessa, Claire, Nicky, Richard, and Jenny Barker who ran the 1-10 lengths so effortlessly and magnificently. And of course Egg for creating such a marvellous ambience with his masterful selection of tunes - could we get underwater speakers do you think?

Extremely well done to all swimmers, especially the soloists - many of whom were taking a leap/swim of faith. Obviously the speedy ones are hugely lauded but Thom and Stuart deserve recognition for their incredible endurance and fortitude. I hope you've all warmed up now and we'll see you at the Sunday Races over the winter. The Serps v. SLSC gala is on Sunday 7 November - put it in your diary now.

Next year will be 106 lengths but Alan doesn't need to come back until the 111th as he completed 110. Not really - you're welcome anytime Alan.
