Many thanks to everyone who took part in and helped at the Mid summer Relay. The enthusiasm of the participants make it a very special event for us.

Some apologies are due to some teams re their timings !...There was a malfunction!....We will try and avoid it next year.

Special mention to the Chilton family C Serpeant team:..Trevor, Gail, Alex and Christo...one of whom was only 9...

And the teams who had the most stamina: Zoe and the Zepplins, WOW and Je t'aime.

Of course we take our numbered hats off to virgin entrants :BSCAmazeballs with a fantastic swim and old friends Spencer Swim Team and OTS.

See you next year

Nicola and Mandy
