Thank you very much to everyone for participating and helping. We look forward to seeing you all again next year when we hope to involve some sort of hot food element and more time to socialise.. Apologise once again to OTS Swimming 2 who had their moment of glory erroneously snatched away from them and to the Life Guards who were a shoe-in for the Under 100 medal but never made it to the start line as we started the relay 4 minutes early!

Next Year.....

Mandy and Nicola (SLSC Joint Swim Captains)
