

South London Swimming Club Fixtures List 2018

Sunday and bank holiday morning races start at 9.30am (except Christmas, Boxing and New Year's Day).

Entrance to these races is open to all SLSC members and is free.

To enable the handicappers to estimate a fair handicap for all swimmers, swimmers must have participated in at least three recent races before they become eligible to win a handicapped cup.

Under 12 events are for those born 2007 or later and the Under 16 events are for those born 2003 or later.

All juniors may enter all Sunday morning races and qualify for a handicap in the same way as adult members all year round.
